About VBP OutSourcing

Our experience over the years, providing graphic and marketing services to several large projects, has made VBP a partner with several private and public sector agencies, giving us the ability to bring a wide range of ideas and experience to carrying out projects and meeting client needs.

Everything we do starts with a conversation. We realize that we're only as good as our ability to ask the right questions and simply listen. Only then can we understand your needs and advise you on strategies for achieving your goals. We work with you through the lens of a fully integrated marketing approach to help you achieve brand harmony.

Lighting the Way to Communication!

WFYI
The Info Channel

How else can you commit to 24 hours a day, 7 days a week, 365 days a year of providing detailed information to your residents?
 Communicating with your residents is now as easy as turning on the television. Create individual presentations that run continuously on a specific cable channel in each building. Residents tune in for up-to-the minute news & updates on community living.

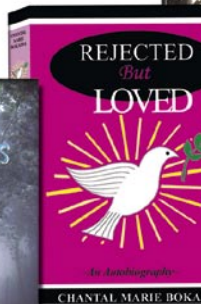

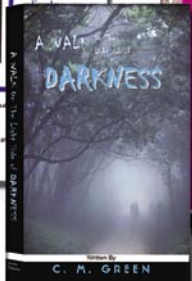

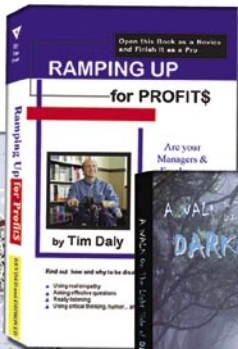

If big hotel chains can do it, so can we!

Welcome To Paradigm Financial Group

You've heard the old saying that it takes money to make money. Well, at Paradigm, we believe it takes ideas. If you have ideas on increasing your bottom line as it relates to **credit card processing** and access to **business cash**, Paradigm has the solutions to make those ideas come alive.

According to the Small Business Administration (SBA), there are nearly an million small businesses in the United States, each one reflecting the hard work and dedication of the owner and "handmade" or all-based financing is the number one reason for small business failure.

Since 1996, Paradigm Financial Group (Paradigm) has been committed to expanding the access to capital and credit card processing possibilities for associations and businesses nationwide. We know that every business has its own unique characteristics and our objective is uniquely designed to cater to those businesses.

To, think of us as the kings on a chess board. But, unlike conventional funding and credit card processing providers, we refuse to treat you like just another pawn.
