# A FULL-SERVICE WEBSITE DESIGN & DEVELOPMENT FIRM

## Informational

Think of an informational website as an on-line brochure. VBP OutSourcing will develop a site that provides information about your company and service or products to the public. Our web professionals will develop content and design a site that complements your overall marketing objectives.

## Dynamic/Animation

If you want to create an attention-getting website for informational or marketing purposes, VBP OutSourcing will develop a site with dynamic or animated elements for your company. Dynamic websites include built-in applications for enhanced performance and usability exceeding the typical static website.

## E-commerce

The primary purpose of e-commerce sites is for businesses to sell their products. VBP OutSourcing will develop a secure site that allows your customer to search a database of your products, add items to a shopping cart and pay for the transaction instantly on-line.

## Monthly Maintenance and Other Services

The best websites are those that keep visitors coming back. VBP OutSourcing provides monthly maintenance so that your company's site will always be up-to-date. VBP OutSourcing also assists with domain name registration, website hosting and is experienced with selecting meta tags and descriptions for search engine placement.
